

Salone del Mobile.Milano 2018. All the figures for the 57th edition

The edition that has just opened promises a multitude of attendees and designs, covering more than 210,000 m² of net exhibition space. Some 1841 exhibitors, 27% of them from 33 countries abroad, will be taking part in the various events, while SaloneSatellite is featuring over 650 designers.

The doors have finally swung open on the latest edition of the **Salone del Mobile.Milano**, the furnishing sector's premier showcase for quality, innovation and creativity, and an unmissable appointment for professionals and anyone attracted by the wide range of goods and the packed programme of events and projects.

Five exhibitions are being held contemporaneously from **Tuesday 17th to Sunday 22nd April** at **Fiera Milano in Rho**. They are **open to trade visitors** from **9.30 am to 6.30 pm** every day, and open to the **public on the Saturday and Sunday**.

The **Salone Internazionale del Mobile and International Furnishing Accessories Exhibition**, split into the following style categories *Classic: Tradition in the Future, Design and xLux*, are joined by the biennial **EuroCucina** exhibition – along with its collateral event **FTK (Technology For the Kitchen)** – and the **International Bathroom Exhibition**, as well as **SaloneSatellite**.
